LETTER OF THANKS

Dear Bernette,

On behalf of Africa Food for Thought I would like to thank you for your generous donations of food parcels, tinned food, peanut butter, samp, snack packs and chomps. We gave them to the crèches we support. A special thank you to all who participated and made Mandela day special for the children. Thank you for partnering with us in making life better for the children we support.

We were delighted that you were able to participate in our Mandela day initiative. Madiba loved children and believed that they are our greatest treasure and future. All of the children at our crèches received a food parcel containing a variety of staples and protein items. It was a heart-warming experience to see the joy on their faces. The children were grateful to have celebrated the life of a legend. Below are some photos of the children eagerly waiting to receive their food parcel from some of the EHL Staff.

Our OVC program has grown. We have adopted new families in the Muldersdrift area. The families are very happy to be part of the programme but they had no access to clean water. They receive water once a week from tankers that go round in that community. Some of the families did not have enough clean containers to store the water. We are grateful to have been able to meet that need and wish we could reach out to more families in this community. Below are some of the families receiving their water containers.

Once again we continue to be grateful for the partnership we have with you which enables us to bring dignity to the communities we serve.

Kind Regards
Africa Food for Thought
